

1238 Dare Rd.
Yorktown, Va. 23692
June 18, 2004
Mr. James McReynolds

Dear Mr. McReynolds:

I live at the end of Dare Rd. where the road is narrow. We have several small children who live in our neighborhood. Even though the speed limit is 25 mph, people still have ignored the limit. We have called 911 several times to get a deputy to patrol our area, but no such luck.

Our area is growing rapidly and new houses are going up. Not only is there everyday traffic from residences. We also have to deal with big trucks (Dump trucks, 18 wheelers, Concrete trucks) that are flying down the road. A lot of the time they have to back up to Howard's landing to turn around in order to get out.

On June 12, 2004 my 2 year old son was hit by a car. He had only minor injuries, because the person who hit him was a residence and only going 20 mph. Now that the summer is here we are going to be having more active of our kids going to each other houses. I would like a sign to be put up saying that there are children at play slow down, something to that affect. I have also enclosed a sign petition of the residence agreeing with this action. If you have any question please feel free to call me at 833-1643.

Thank you,
Nicole Odom
Petitioner
